

## piek cover S + piek cover C

### instructions for use

#### functional accessories for piek + piek lettura

1. Put the piek cover on the piek luminaire head - picture 1.
2. The three threaded holes of the piek cover have to be positioned precisely over the groove of the luminaire head, as the groove serves as fixation of the set screws - picture 2.
3. Tight set screws flush and evenly through the three threaded holes of the piek cover - picture 3.

#### care:

Regularly clean piek cover and luminaire from dirt and deposits.  
Do not use a high pressure cleaner for cleaning.  
Please note care instructions at [www.IP44.de](http://www.IP44.de).
